High Court of the Order  
Was Organized There  
Last Week.

A large delegation of Fairmont Foresters went to Clarksburg last Friday night to witness the organization of a high court of the order. William M. Amos, of Fairmont, was appointed high vice chief ranger.

Twelve months ago the first court of Foresters in West Virginia was organized.

The growth of the order in the state has been most rapid. There are now over 600 members in West Virginia, with a total insurance of \$750,000. In the American jurisdiction, which includes Canada and the United States, there are more than 500,000 members.

C. B. Arnsperger, of this city, was appointed high court ranger for the state at Friday night's meeting, and other officers were named as follows: High chief ranger, C. B. Arnsperger, Clarksburg; past high chief ranger, H. C. Carpenter, Parkersburg; high vice chief ranger, William M. Amos, Fairmont; high secretary, E. B. Hardesty, Clarksburg; high treasurer, J. Walter Duncan, Clarksburg; high physician, Dr. John B. Payne, Clarksburg; high counsellor, Guy H. Burnside, Clarksburg; high auditors, C. L. Bond, Clarksburg, and W. C. Hawley, Parkersburg; high orator, Mrs. Alma Vance, Parkersburg; high journal secretary, Miss Lella Bond, Clarksburg; high organist, Mrs. Clara A. Stewart, Parkersburg; high senior woodward, J. The Rev. B. G. Blaisdell, Forestry superintendent for New York state, was in charge of the exercises Friday night. He has just completed a two weeks' inspection of the courts in West Virginia. Among the cities and towns represented at the meeting were the following: Parkersburg, Pennsboro, Weston, Grafton, Orlando, Fairmont and McWhorter.

As pointed out by the speakers Friday night, two of the big aims of Forestry are to care for children of deceased members and to relieve suffering and distress among those unfortunate persons who have contracted tuberculosis. The order has two well equipped sanitariums for tubercular patients who receive medical treatment free of charge. Many of

## If You Need a Medicine You Should Have the Best

Have you ever stopped to reason why it is that so many products that are extensively advertised, all at once drop out of sight and are soon forgotten? The reason is plain—the article did not fulfill the promises of the manufacturer. This applies more particularly to a medicine. A medicinal preparation that has real curative value almost sells itself, as like an endless chain system the remedy is recommended by those who have been benefitted to those who are in need of it.

A prominent druggist says: "Take for example Dr. Kilmer's Swamp-Root, a preparation I have sold for many years and never hesitate to recommend, for in almost every case it shows excellent results, as many of my customers testify. 'No other kidney remedy has so large a sale.'"

According to sworn statements and verified testimony of thousands who have used the preparation, the success of Dr. Kilmer's Swamp-Root is due to the fact, so many people claim, that it fulfills almost every wish in overcoming kidney, liver and bladder ailments, corrects urinary troubles and neutralizes the uric acid which causes rheumatism.

You may receive a sample bottle of Swamp-Root by parcel post. Address Dr. Kilmer & Co., Binghamton, N. Y., and enclose ten cents; also mention the Fairmont West Virginian. Large and medium size bottles for sale at all drug stores.
